*Please Note: All web content filters are provided by third party software and NOT directly by Websecure. Although great care is taken about the accuracy of this service it is not guaranteed whatsoever. All categories and sites are added to this service based on a online voting system voted for by a selection of users and may not share the same views or opinions. This service is charged in advance and payments are to be made by the 1st day of every month no later than the 7th, failure to do so may cause a temporary suspension of the service which could leave your system vulnerable and dysfunctional. A notification will be sent to the customer by e-mail as reminder to make payment and also when service has been suspended. No guarantee can be given on any e-mail delivery and should not be regarded as a requirement but as a value added service supplied by Websecure in keeping a good customer relationship. Hardware Purchased carries a manufacturers guarantee and will be customer's responsibility to take care of this product as specified by the manufacturers manual. Any Problems with this hardware will be inspected by authorized technicians to verify if the problem is covered by this guarantee and their decision is final! Any service problems should be reported to Websecure in writing to e-mail support@websecure.co.za. The customer will be liable for the safety and security of his network and Websecure will not be responsible for any compromises, loss or leak of data/information while using the service. Terms and Conditions Apply E & OE*
